

**NATIONAL UNEVERSITY OF COMPUTER AND
EMERGING
SCIENCES - ISLAMABAD CAMPUS
Islamic Studies**

Total Marks: 15+10

Instructor: Faisal ur Rehman

Instructions for the Presentation:

1. The announcement regarding the schedule for the presentations will be made on Google Classroom, specifying who is assigned to present on the given day.
2. **Before presentations, students are required to seek approval for their chosen topics from the instructor by writing their topics of GCR.**
3. The presentation content must be authentic; students are advised to clearly mention the references.
4. **Presentation slides are mandatory** for the delivery of the presentation.
5. It is important to strictly manage the time (**3 minutes minimum - 4 minutes' maximum**).
6. If a particular student fails to present on their assigned day, he/she will not have the opportunity to present at a later date.
7. The total absolutes for the project & presentation will be 7.
8. The rubric of the presentation is shared with you via GCR and marking criteria will be followed on the basis of rubric.
9. **You have to submit your presentation slides on Google Classroom (GCR) on the due date.**
10. Your presentation will include the summary of the topic you chose, but **if you have more knowledge and add authentic information from your own research with proper sources, it will positively improve your marks.**
11. The total marks for the Final Presentation are 15. The grading criteria will be according to the Rubrics shared on GCR, so make sure to thoroughly understand the Rubrics.
12. Each group will give their presentation using their own laptop. Proper preparation and time management are essential. Please ensure beforehand that all equipment and files are working correctly. **Any**

time lost due to technical issues during the presentation will result in a deduction of marks.

Instructions for presentation report:

1. Write 3 to 5 pages excluding cover page. (One side of the paper is considered as one page).
2. Hand over the project report to instructor on the day of presentation and upload as well on Google Classroom.
3. Please note that the complete reference must be given for each and every verse, hadith, quotation and concepts you include in report.
4. Recommended Font: 14 Bold & Times New Roman for headings while Times New Roman 12 for rest of the content.
5. The total absolutes for the presentation report will be 2.
6. The project report will be worth 10 marks and the grading criteria will be according to the Rubrics shared on GCR, so make sure to thoroughly understand the Rubrics.
